MAKING A DIFFERENCE

In 2023, POWS contributed over \$3,000 in supplies and devoted more than 1,000 volunteer hours to various community clean-up projects. It also gained significant recognition for funding a unique community mural symbolizing joy, connection, and shared memories. Additionally, POWS volunteers removed nearly 2 tons of trash from common right-of-ways, significantly enhancing the community's cleanliness and appeal.

POWS is also about fun!

With a packed calendar of activities planned up to the summer of 2024, POWS is weaving the social fabric of our community, one fun-filled gathering at a time. Free community activities include a cornhole tournament, pancake breakfast, kids bicycle safety clinic, and the 2nd annual Easter Egg Hunt.
